

## ANIMAGO AWARD 2006

**MAY 9, 2006**

I've just been informed that I've been awarded with **rank 2 Animago Award 2006** in category Education/Still/Productdesign. You can read all about my entry on this [link](#) and all about the Animago 2006 contest on this [link](#). **Animago** is an annual 3D contest, organized by **Digital Production**, German 3D magazine.

**DIGITAL PRODUCTION** is the leading German trade magazine for computer graphics, video, film, vfx, compositing, streaming, broadcast, dvd and web. They are the only magazine that thoroughly covers all aspects of digital media production.

Digital production addresses a professional and semi-professional readership. Their target audience consists of producers, creative directors and decision makers of all fields of digital media production. The selection and presentation of all topics relates directly to needs of freelancers and employees, who make investments decisions for their company.

**Jana Rot** was born in Kranj, Slovenia. She has started her fashion design career around 1999 and since then she has been involved in various exhibitions, fashion shows and international fashion and industrial design competitions. During her study at University of Ljubljana, department of fashion and textile design, she has been active in researching new ways of creative presentations and thinking regarding fashion and textile design. She has graduated in 2005 under the mentor doc. Marjeta Godler.
